The commission has reviewed and considered the Executive Officer's Report including those factors required by Government Code section 56668 of the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 and the rules and procedure for the Sutter County Local Agency Formation Commission, as amended April 24, 2003. The commission conducted a public hearing at which it heard and received oral and written comments, other evidence submitted, and objections presented or filed regarding the proposed change of organization. All persons present were given an opportunity to hear and be heard.

The LOCAL AGENCY FORMATION COMMISSION OF THE COUNTY OF SUTTER resolves, determines, orders, and finds as follows:

Section 1. In accordance with the California Environmental Quality Act (CEQA) and the Guidelines, a mitigated negative declaration was adopted by the City of Yuba City as part of establishing pre-annexation zoning for the property. LAFCO, as a responsible agency for the reorganization, has considered the City's environmental document and the potential impacts of the proposal and concurs with the City's determination. The Executive Officer is directed to file a Notice of Determination consistent with Section 15096(i) of the CEQA Guidelines.

Section 2. LAFCO has independently reviewed, analyzed, and considered the Initial Study and Negative Declaration prepared by Yuba City prior to making its decision on the project and finds that the Mitigated Negative Declaration reflects the independent judgment of Sutter LAFCO.

Section 3. The Commission adopts and incorporates by reference the Executive Officer's Report, and its attachments and appendices, as its Statement of Reasons for approving reorganization.

Section 4. Based on the evidence, analysis, and conclusions set forth in this resolution and the Executive Officer's Report, the Commission finds that the reorganization serves to further the purposes of the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, including, but not limited to, the following: efficiently providing government services and facilitating the orderly formation and development of local agencies based upon local conditions and circumstances. This proposal will not encourage urban sprawl because the expanded reorganization is located within the Yuba City sphere of influence and will adjoin the existing city boundaries. This proposal will not affect open-space or agricultural lands because these

lands currently used agriculturally were committed to urban development in 1990 by LAFCO adopting the sphere of influence boundary and by the 2004 adoption by the City of a new General Plan for the area. The reorganization area is located away from prime agricultural lands lying to the north and south of the Yuba City sphere of influence that are designed to be protected by the County's General Plan. The Commission finds in this case that the city of Yuba City as a single, multiple-purpose governmental agency is better able to assess and be accountable for community service needs and natural resources than limited purpose agencies.

Section 5. The reorganization area is approved with the boundaries as shown on Exhibit A, which is attached and made a part of this Resolution.

Section 6. The lands shown on Exhibit A are detached from County Service Area "G". The City of Yuba City shall be the entity to provide fire protection services to the reorganization area. All existing fees, levies and charges currently collected by County Service Area "G" will continue in existence after the reorganization proceedings are completed.

Section 7. The Commission also determines:

- a. The territory of the subject reorganization is inhabited;
- b. The reorganization is consistent with the adopted sphere of influence for the City of Yuba City.

Section 8. The exchange of property tax revenue for the reorganization area shall occur consistent with the Master Property Tax Exchange Agreement adopted by the Yuba City Council and Sutter County Board of Supervisors on July 6, 2000.

Section 9. The reorganization is assigned the following short form designation:

"SOUTH BUTTE HOUSE ROAD REORGANIZATION NO. 327"

Section 10. The effective date of the reorganization shall be 30 days following the recording of the Certificate of Completion.

Section 11. The Chief Petitioners shall prepare the necessary legal description and map for the reorganization area, acceptable to the State Board of Equalization, and pay all fees of the State Board of Equalization.

Section 12. Prior to recording a Certificate of Completion for the proposal, the Chief Petitioners shall pay any outstanding balance incurred as a result of LAFCO processing the proposal.
