To: Local Agency Formation Commission

Re: Review of the Policy No. 8 of the Commission's adopted Rules of Procedure.

### **Recommended Action**

Review Policy 8 of the Commission's Rules of Procedure and provide direction to staff on any changes the Commission would like to see made to this policy.

### **Background**

During the appointment of the Public and Alternate Public member positions in the spring of 2009, the Commission expressed a desire to establish a procedure to screen potential applicants outside of the regular monthly meeting format.

Staff believes this process currently exists for the Commission under Policy No. 8(c) of the Commission's adopted Rules of Procedure that provides for a personnel committee for the purpose of reviewing applications and bringing recommendations to the full Commission.

Staff requests the Commission review Policy No. 8 and provide direction to staff on any modifications to this policy the Commission would like to see made.

Respectfully submitted,  
STEPHANIE LARSEN  
ASSISTANT EXECUTIVE OFFICER

Doug Libby, AICP  
Principal Planner
